There's nothing worse than talking about a farm loan with someone who doesn't know farming. * But you won't run into that problem at Farm Credit. A good many of our loan officers come from farming backgrounds. And they're all graduates of the most comprehensive ag lending program in the nation. * So when you get technical, they don't look lost. In fact, they usually have some pretty good advice on farming as well as finance. * Stop by and talk to your Farm Credit loan officer. It's easier when people speak your language.
