22'8" WIDE

FLUFF 3 WINDROWS IN ONE PASS

You'll cover acres fast, and bale or chop sooner with the Model 169 tedder. It uses six rotors to ted a wide 22'8" area. That's wide enough to fluff three windrows from a 9' mower-conditioner. Yet transport width is a narrow 9'8" for

easy maneuvering. The frame of the "169" is fully articulated, so it hugs the ground to fluff all of your crop for fast drying. Beat the weather with the Model 169. Stop by for details.
