National Egg Market

ATLANTA, GA
 FEBRUARY 08, 1995
 NATIONAL EGG MARKET - AT A GLANCE:
 Prices were unchanged to lower on brown eggs in New England, and the

balance of prices were unchanged. The market tone remained generally steady to occasionally barely steady and cautious. Mid-week demand ranged light to good, mostly moderate, and was increased by feature activities. Supplies of large eggs were adequate to fully adequate, instances tight on jumbos, and mediums were generally adequate, occasionally barely adequate. Breaking stock supplies were adequate for the fair demand, and the undertone was steady. Spent hen offerings were fully adequate to ample for the light demand, and the market tone was steady.
