We redesigned the GLEANER® rotary from header to spreader with fewer moving belts and chains. So you get greater reliability and reduced maintenance during harvest. And now, three of four models* offer you an engine choice - a high torque rise Cummins diesel or a low maintenance air-cooled Deutz, both loaded with power to spare. Check out the combine that's built for greater reliability and backed by a strong AGCO warranty and superior service - the GLEANER rotary. Visit your local AGCO GLEANER dealer today.
