REPLACING HOG FLOORING? CONSIDERING NEW CONSTRUCTION?

CHECK OUT

Polygrate™

Heavy Duty Hog Flooring

Time Tested and Proven

This style of POLYGRATE was first introduced in 1981. Over the years Farcox has continued to refine this product. POLYGRATE is one of only a few "World Class" floors that has stood this test of time.

Outstanding Traction
POLYGRATE'S unique "high-low" finger design provides outstanding traction for pigs of all sizes, while enhancing safety and comfort.
◆ POLYGRATE'S rounded corners minimize injuries. The edges are beveled providing a smoother, safer surface that promotes comfort, too.

What Does This All Add Up To?

- ◆ More piglets survive until weaning
- ◆ Less splay/spraddle leg problems
- ◆ Heavier piglets at weaning
- ◆ Better conditioned sows at weaning
