

MAKE SURE SHE CAN CARRY HER WEIGHT BEFORE SHE CARRIES HER CALF.

Heifers carry the weight of the future of your herd. So before they calve, make sure that they are physically ready. Cornerstone™ Heifer Feed from Purina® can help heifers reach the desired height, weight and body condition at breeding. And that's critical if your heifers are to have less trouble calving, fewer breeding failures and the potential to produce 1,000 lbs. more milk during their first lactation. Support your future.
