

New Board Members Elected To PMCGA

STATE COLLEGE (Centre Co.) — Six new board members were elected to seats on the PMCGA board of directors as a result of the election held this winter.

The new board members consist of three corn producers, two extension agents, and one representative from ag industry. The PMCGA board is com-

posed of 15 representatives: nine corn growers, three extension/education representatives, and three industry representatives.

The three farmer candidates elected were Bruce Berkey from State College, Elwood Kyper from Huntingdon, and Dan Wolff from York. The

industry candidate elected to the board was Jon Stutzman, who works with Brubaker Agronomic Consulting and lives in Kutztown.

Extension representatives elected to the board were Tom Murphy of Lycoming County and Del Voight of Lebanon County.

FINALLY...

YOU'RE IN CONTROL

The Model 900 forage harvester puts you in control of your harvest:

- Rugged 21-inch, 12-knife cutterhead for a uniform chop.
- Exclusive flip-up feedrolls provide convenient access to the shearbar and smooth roll scraper.
- Electromagnetic clutches provide instant response in controlling feedroll and attachment drives.
- Optional Metalert® 11 metal detector protects cutterhead and your valuable animals.

Let us show you how the Model 900 puts you in control.

NO MORE PLUGGING

PREVENT SILO BOTTLENECK

The Model 28 forage blower reduces plugging and saves time at the silo. The Whirl-A-Feed® table breaks up clumps and spins crop into the blower at high speed. This means less drag on the fan and more efficient use of tractor horsepower. Let the Model 28 save time for you.
