Cooperators and locations

Late-season hybrids were evaluated on farms of the following: Joel Wenger and Robert Breckbill, Franklin County; Frank Yost, Cumberland County; John Yocum, Lancaster County; Kermet Schegel, Berks County; and Wiley Gehman, Lehigh County.

Results of the tests for short-season, early medium-season, late medium-season, and late-season hybrids are available as separate reports from county offices of Penn State Cooperative Extension.

Members of the county based extension staff assisted in conducting these tests. Their efforts were essential to the successful completion of the trials, and were greatly appreciated.

This report represents the combined efforts of extension, research, and service personnel in the Departments of Agronomy and Plant Pathology (M. W. Johnson, R. L. Williams, and J. E. Ayers).

The tables in this report may be reproduced only in their entirety.

Where trade names appear, no discrimination is intended, and no endorsement by Penn State Cooperative Extension is implied.

This publication is available in alternative media on request.

Issued in furtherance of Cooperative Extension Work, Acts of Congress May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture and the Pennsylvania Legislature. L. F. Hood, Director of Cooperative Extension, The Pennsylvania State University.

The Pennsylvania State University is committed to the policy that all persons shall have equal access to programs, facilities, admission, and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by University policy or by state or federal authorities. The Pennsylvania State University does not discriminate against any person because of age, ancestry, sex, disability or handicap, national origin, race, religious creed, sexual orientation, or veteran status. Direct all inquiries regarding this nondiscrimination policy to the Affirmative Action Director, The Pennsylvania State University, 201 Willard Building, University Park, PA 16802-2801. Tel: (814) 863-0471. TDD: (814) 865-1175.
