Now, Because We Have Probably The Largest Early Order Discount That We Have Had In Several Years! This Exceptionally Large Discount Offer Expires March 31, 1995. See Binkley & Hurst Bros. Today.**

**Mesh Wrap Attachment**

Studies have shown that losses from handling and spoilage for a round bale stored outside can be as high as 30% more for a twine-wrapped bale as opposed to a bale wrapped with mesh. Mesh wrap serves as a barrier to moisture absorption. As a result, quality losses resulting from decomposition are reduced.

Mesh wrap also reduces losses during bale handling and transporting and because fewer turns are produced when wrapping versus tying with dual twine arms (2 to 2.5 wraps vs. 10 to 15 turns), there is significant savings in the time required to finish a bale. The optional mesh wrap is available as a field-attachment for the following round balers.

- 8455 Tractor Hydraulic • 8465 AUTOMATIC
- 8465 Tractor Hydraulic • 8460 after Pin CFH0057418

New Case IH 8830 Mower Conditioner With 12 Foot Header, Case Cummins Diesel Cab And Air

BUY THE BEST!

**FULL-FEATURED PERFORMER**

The Case International 8340 mower conditioner offers you features in a 9 foot plus cutting width that you'd only expect to find as options, or on a larger more expensive machine.

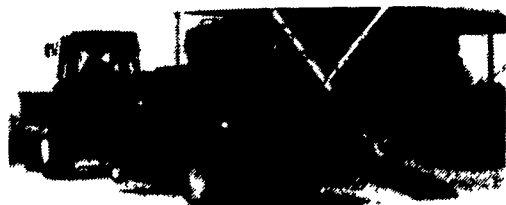

Features like a heavy box-beam frame and tongue that you hydraulically position from the tractor. Quickly steer around field obstacles or switch between field and transport positions. Low maintenance describes the 1700-stroke per minute sickle. Sickle sections bolt-on for quick and convenient replacement.

A live-bat reel feeds the crop uniformly into the conditioning rolls. Rolls automatically separate to reduce the chance of plugging.

And there are even more features that make the Case International 8340 a truly deluxe high performance mower conditioner. Stop in and see them all.

Also 12' swing frame & self propelled machines in stock. Don't wait, save by seeing Binkley & Hurst before March 31.
