**Kuhn Gyrotdeder - Fluffing action that's gentle on your crop.**

Wet weather is less of a threat to your valuable hay crop with Kuhn's Gyrotdeder. Its gentle fluffing action speeds up hay's natural drying time. The Gyrotdeder is easy to use and gentle on your crop. Excellent ground following for quality tedding even on difficult terrain due to the land-hug ging articulating chassis and adjustable wheels. Wheel height adjusts without the use of tools instantly adapting rotor angle to crop density. And for the ultimate in reliability and ease-of-use, several folding models are equipped with Kuhn's exclusive Digidrive multiple finger coupling. This maintenance free positive-drive system prevents machine damage should the PTO be engaged or the rotors raised accidentally. Kuhn offers the largest selection of tedder sizes available with 11 models from 10 to 28 in trailed or three-point mounted versions.

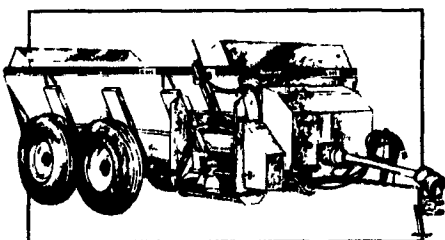

Kuhn Farm Machinery, Inc. 5800 E. State Street, P.O. Box 400, Verona, NY 13151 USA

**NORTH AMERICA'S #1 V-TANK SPREADER**

The Gehl Scavenger® II is the "original" V Tank spreader and still the best. It delivers outstanding performance in all types of manure, from liquid to semi solid to pen packed or even frozen manure.

- Patented square-tube auger - Hydraulically powers up and down to break up solid material
- Venturi discharge - Spreads smoothly and evenly for complete application control
- Five models - From 192 to 696 bushel heaped capacities to match your operation
- 10-Year warranty - Against rust through on the tank for peace of mind
- Options include - Truck mounted units and hydraulic lifts
