Less
 maintenance
 is a breeze.

For The Way You Farm Today

The advanced air-cooled engines in the 7600 Series eliminate 40% of the parts that cause engine downtime. No gaskets, no radiators, no water pumps, no hoses, no thermostats, no anti-freeze. Just hassle free maintenance. Precision individual Bosch fuel injection pumps provide quicker starts, better fuel economy and greater productivity. These high performance 89 to 128 PTO hp tractors also come with 24F/12R transmissions for more versatility. With all-wheel drive and comfortable operator cabs, you get maximum efficiency. Plus, backed by a strong AGCO warranty — four years or 4,000 hours as standard. See your local AGCO Allis dealer today and ask about flexible AGCO financing.
