NATIONAL EGG MARKET - AT A

GLANCE:

Prices to retailers were unchanged to
higher in the Midwest and New England,
unchanged elsewhere. The market tone

was steady to firm, mostly steady. Demand covered a wide range, but was mostly moderate and improved slightly where featured and where pre-holiday floorstocks were gathered. Supplies remained at least adequate for current needs. Breaking stock supplies were adequate for the mixed demand; the undertone was steady. For additional information, please call (404) 347-4121.
