**Brillion YIELD ENHANCER**  
**TILLAGE TOOLS AND SEEDERS**

**THE PULVERIZER LEADER**  
*Brillion has manufactured pulverizers since 1895 and has long been the industry leader*

Brillion Pulverizers provide the ideal seedbed by crushing clods, eliminating air pockets and firming the soil for better soil-seed contact. This allows moisture to be drawn into the plant by capillary action. The loose surface mulch retards evaporation and conserves moisture. Brillion's ductile iron wheels are 2.5 times stronger than gray, cast-iron wheels used by other manufacturers and carry a five-year limited warranty.
