to keep the bulk of offerings in fairly good balance. Live supplies were moderate; weights varied and were mostly desirable to heavy. Processing schedules were very heavy. Most plants planned to close or reduce operations either Friday or Monday in observance of the holiday. Less than trucklot asking prices were unchanged at 50 to 61 cents. In the parts complex, wings continued to clear well. Bone-in breasts were irregularly available. Boneless skinless breasts and leg quarters were available and difficult to clear.
