EGG SALAD WEEK.

UMBRELLAS: A BRIEF HISTORY

Umbrellas were first used in ancient Mesopotamia as sunshades and were later adopted by women in ancient Greece and Rome. In the first century A.D., Roman women began oiling their paper sunshades to provide rain protection, and the umbrella as we know it was born. But it was not until the eighteenth century that umbrellas became acceptable for men. Beginning in 1750, Jonas Hanway always carried an umbrella around London, rain or shine. This was seen as effeminate, and he was publicly humiliated and ridiculed, but gradually the stigma faded and the idea took hold. When Hanway died in 1786, all proper British gentlemen were carrying umbrellas.
