

# Firestone The Leader in The Field

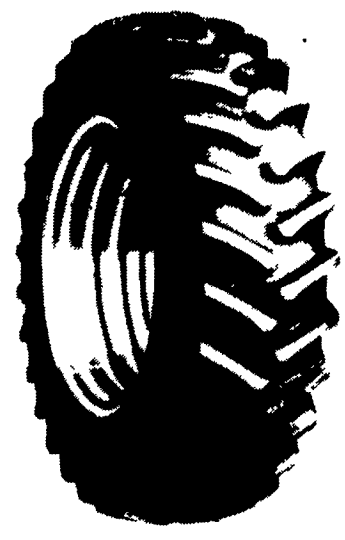

## Super All Traction 23°

- R-1**
- New top-of-line bias-ply tractor rear, featuring our long bar/long bar design for tread stability, and heavy bar bracing to extend tread life.
  - Long wearing and smooth riding, due to the more uniform, flatter contour of the long bar/long bar design.
  - Proven 23° bar angle for traction and open center for self-cleaning.
  - Bead and rim protector shields the rim to help keep stubble and soil from getting between the bead and rim flange.
