- Adjustable Width
- High Crop Clearance
- Wheel Spacing
- Low Overall Height
- Selector Valve

At Last! A Reliable, New Stainless Steel AG-CHEM FOAM MARKER Reg. \$925.00 **SPECIAL \$850.00**

Each Foam Marker Contains:

- Mixing chamber for each boom.
- Electric harness for in-cab controls (on-off/left-right).
- Drop hoses for each boom.
- Hose for boom lengths up to 47'.

The Ag-Chem foam marker offers you efficient operation with a 12 volt compressor that draws only 9 amps. Independent left and right boom markers can be controlled from the cab for on-the-go operation. That lets you operate either boom marker for precise, economical foam placement. And best of all the Ag-Chem Foam Marker produces a dense foam within seconds of agitation, and has a dependable output that can be adjusted for volume.

Use with the new 80-to-1™ high concentrate foam

TERRA-TRONICS I

Values to trust.

It seems all you ever really considered is farming. Today you see the same excitement in your children's eyes as they hop onto the seat of your new MF 362 tractor to "pretend farming."

Someday you hope your son or daughter will carry on the family farm and the values you've taught them. Farming will undoubtedly be a lot different for them.

But one thing won't change. They'll still be able to count on Massey Ferguson* for the very best values and latest technology to help them farm better. And their local MF Dealer will still provide the advice, MF Financing and service support that you've learned to trust.

Bring your family into your local MF dealer today and see how Massey Ferguson value can help you realize your goals.

MASSEY FERGUSON®

Massey Ferguson is a wholly owned subsidiary of AGCO Corporation, Duluth, GA.
