Don Macmillan, the author of John Deere Tractors & Equipment wrote about Hans Becherer, the Deere company chairman who announced, in late 1993, an agreement with ZETOR the Czech Republic tractor manufacturer to market eight models as a low price line for emerging markets, particularly in Asia, Australia and Central and South America. Most of these tractors ZETOR builds for these countries are painted green and have yellow wheels with John Deere on the hoods. ZETOR tractors must be good!

ZETOR Tractors & Parts are warehoused in the Harrisburg area for quick access.
