

Poultry Grads

(Continued from Page A1)

important, Hann said.

Awards were presented at the banquet.

Poultry Science award winners included high grade point average, poultry science major - Ed Hoffman; high grade point average, nonpoultry science major - Tom Patterson; most active club member - Brian Sensenich; and most active new club member - Andy Bradford. WLR Foods contributed plaques for the first two awards, while Wenger Feeds gave a plaque and \$100 scholarship for the third. Novis International provided a plaque for the last award.

New officers for the 1995-1996 academic year are president, Andy Bradford; vice president, Matt Sharrer; secretary-treasurer, Jennifer Sweltzer; and Ag Student Council representative, Danielle Kauffman. The club adviser is Dirk Wise.

Brian Sensenich, Most Active Club Member Award winner.

The Penn State Poultry Science Club received first place award for their scrapbook at the International Poultry Expo in Atlanta this

year. The club also assisted with the sale of items from the old poultry barns and held their an-

nual turkey sales from donations from Wampler Longacre and Wenger Feeds.

Club members, left to right, first row: Michelle Vonada, Jennifer Sweltzer, Brenda Horgan, Danielle Kauffman, Doug Metzger (1994-1995 club president), Becky Riegel (1994-1995 secretary-treasurer), Lydia Kepler (1994-1995 vice president), and Jodi Marshall; 2nd row: Andy Bradford, Henry Zerby, Greg Brown, Ed Hoffman, Bill Strock, Mike Persia, Tom Patterson, Matt Zerby, Brian Sensenich (1994-1995 Ag Student Council representative), Curtis Geary, and Matt Sharrer.

New officers for 1995-1996: Matt Sharrer, vice president; Jennifer Sweltzer, secretary-treasurer; Andy Bradford, president; and Danielle Kauffman, Ag Student Council representative.

Andy Bradford, most active new club member award winner.

Banquet speaker Paul Hann, president of the Pennsylvania Poultry Federation, and his wife Peggy.

ABA Awards Scholarship

BRATTLEBORO, Vt. — The Ayrshire Breeders' Association awards a scholarship annually to a graduating high school senior who is planning to further their education by majoring in agriculture.

In June, Jennifer Scoon will be named the recipient of this scholarship at the national convention in Eau Claire, Wis. Jennifer, and her parents, Charles and Janet Scoon, operate Scoon Dairy Farm, Downing, Missouri.

Jennifer has been active as a junior member of the association for nine years. She has also been a member of the Missouri Junior Ayrshire Club, serving as secre-

tary. Scoon has shown her cattle at the local, state and national levels, winning many awards. She has held many offices in her local 4-H club, and FFA chapter, and has received the Missouri Star Area Farmer Award.

Jennifer said she plans to attend Northwest Missouri State University in Maryville, Missouri, and major in dairy science.

A committee of three judges reviewed the scholarship applications this past spring. Judges were leading dairy people from Illinois, Virginia and Oklahoma.

The Ayrshire Breeders' Association wishes Jennifer the best of luck in her future years in college.

Ed Hoffman, winner of the high grade point average for a nonpoultry science major award.

FREE DELVOTEST[®] SP or P OFFER

Introducing Delvotest[®] SP.

Buy a Delvotest[®] Block Heater from January 1st to March 31st, 1995 and get a \$25 Delvotest[®] kit Free.

Delvotest[®] SP is a simple, reliable, inexpensive test for detecting virtually all antibiotics which includes and increased sensitivity for sulfa residues in milk. You can set up a Delvotest[®] SP in 2 minutes. With the use of a timer, you can read the results at your convenience, up to 12 hours from the start of the incubation period. You can run the test in your own milk room.

OFFER EXTENDED; THROUGH MAY 31, 1995

Why Delvotest[®] SP?

- Because you need to know your milk is free from all antibiotics, including sulfa residues.
- Because you need to know your milk is going into the tank truck, instead of down the drain.
