

Adams County Searches For Dairy Princess

GETTYSBURG (Adams Co.) — "This could be the greatest opportunity of your life," Jayne Hess tells prospective county dairy princesses. "I know because my reign as dairy princess helped me network with industry leaders and get a jump-start on a career in dairy marketing."

The Adams County dairy industry is looking for candidates to vie

for the Adams County Dairy Princess position. A candidate is eligible if she is the daughter of a dairy producer or ag sales representative, or works at a farm store or a dairy farm, or has shown dairy cows in 4-H or FFA.

For more information on becoming a dairy princess, call Tom Piper at (717) 334-6271 or Bonnie Hess at (717) 334-8553.

4-H Center Rebuilding

The winter of '93 left the Northampton County 4-H Center without a pole barn at the site on Bushkill Center Rd., Nazareth.

Now the 4-H community has decided to rebuild this building. The pole barn was and will be rebuilt as a 45 foot x 90 foot, enclosed on two sides, structure. It houses many animal science events and acts as a pavilion during non-animal events.

The 4-H Center is used by the 4-H clubs and the local community for various events throughout the year. It is open for general public usage from April to October. Some of the past events held at

the site are the 4-H round-up, usually in early August, horse shows, dog clinics, chicken barbecues, various club activities, and meetings and family gatherings.

Anyone wishing to donate or pledge funds is welcome to send a check to The Northampton County 4-H Center Improvement Fund, 423 McKeever Lane, Northampton, PA 18067. If a receipt is needed, please request one.

For more information, call (610) 837-7294 or (610) 261-2219. For 4-H information, call Phyllis Laufer, Northampton County 4-H Coordinator, weekdays, 8:30 a.m. - 4:30 p.m., at (610) 746-1970.
