

Delmarva Broiler

EDISON, NJ.
MAY 10, 1995
Movement of ready-to-cook whole birds was good. Seller offerings remained in good balance to well cleared, particularly on the smaller sizes. Live supplies varied, but were moderate overall; weights were mostly desirable to heavy. Slaughter schedules were very heavy. Less than trucklot asking prices were unchanged at 51 to 62 cents. Trade sentiment was steady, instances firm. In the parts complex, all items continued to clear satisfactorily. Breast items and wings were in closest balance. Leg quarters were adequate and generally well balanced. ESTIMATED SLAUGHTER OF BROILER/FRYERS IN DELMARVA (000)
