MEAT MATTERS MOST

1994 was my last opportunity to exhibit 4-H Market Lambs. I am now a Pre-Vet Major at the University of Kentucky. I may be "too old" for the showing but I haven't lost my enthusiasm for the club lamb business. I still have the same powerful ewe base that has produced the winningest market lambs in the Mid-Atlantic area. And, I intend to keep on producing winners for others.

In 1993 I purchased the National Champion Wether Sire at the Midwest Stud Ram Sale in Sedalia, Missouri. He has worked even better than I expected on my flock. I call him "LIMO". You will call his lambs L-O-N-G, SMOOTH, and TIGHT. These pretty profiling lambs with high tail sets will not disappoint!

Consider the record of DINSMORE bred market lambs in the last 11 years. Why not select your show prospects from the flock with a proven track record?

MARYLAND STATE FAIR (1984-1994)

- Grand and Reserve Champion and 7 first place lambs in 1994

REPLACING HOG FLOORING? CONSIDERING NEW CONSTRUCTION? CHECK OUT Polygrate™

Heavy Duty Hog Flooring

Time Tested and Proven
This style of POLYGRATE was first introduced in 1981. Over the years Farocx has continued to refine this product. POLYGRATE is one of only a few "World Class" floors that has stood this test of time.

Outstanding Traction
POLYGRATE'S unique "high-low" finger design provides outstanding traction for pigs of all sizes, while enhancing safety and comfort.
♦ POLYGRATE'S rounded corners minimize injuries. The edges are beveled providing a smoother, safer surface that promotes comfort, too.

What Does This All Add Up To?

- ♦ More piglets survive until weaning
- ♦ Less splay/spraddle leg problems
- ♦ Heavier piglets at weaning
- ♦ Better conditioned sows at weaning
