# Patz

Manufactured  
in Pound, Wisconsin

## Here is something often overlooked...

Only Patz gives you 45 years of experience with hook-and-eye chain, resulting in a chain so good that others are attempting to copy it.

Many Patz Gutter Cleaner chains are still working well after more than 30 years of use.

After the Patz patent on hook-and-eye chain expired, some other companies have attempted to copy the Patz chain. Some promote 10- and 12-year warranties on chain—but they have not yet had 10 or 12 years of experience with hook-and-eye chain.

What thousands of dairyman know: Patz chain is your best buy!
