For The Way You Farm Today

The advanced air-cooled engines in the 7600 Series eliminate 40% of the parts that cause engine downtime. No gaskets, no radiators, no water pumps, no hoses, no thermostats, no anti-freeze. Just hassle-free maintenance. Precision individual Bosch fuel injection pumps provide quicker starts, better fuel economy and greater productivity. These high performance 89 to 128 PTO hp tractors also come with 24F/12R transmissions for more versatility. With all-wheel drive and comfortable operator cabs, you get maximum efficiency. Plus, they're backed by a strong AGCO warranty - four years or 4,000 hours as standard. See your local AGCO Allis dealer today, and ask about flexible AGCO financing.
