### Why Bush Hog Squealers Mow Down The Competition

There are two basic reasons and quality is the first. Each Squealer model is equipped with Bush Hog's tough gearbox that carries a 2-year warranty. All models, except the 42-inch wide cutter feature oval blade pans, and the 60 and 72-inch wide models have an "in-line" shear bolt with ball bearing protection that can be replaced in a snap. An optional slip clutch is available. The second reason for the Squealers popularity is price. Select any of 5 models, 42 to 84-inches wide, and compare prices with the competition. With a true price/quality comparison, it's easy to see why Squealers mow down the competition.
