

You ask You answer

(Continued from Page B15)

QUESTION — E. Walsh from Auburn would like the name and phone number of a business that sells round pens for training horses. Portable pens should be 60 feet in diameter and be constructed with metal pipe panels. Approximately 6 feet high in 10 to 12-foot panels.

QUESTION — Esther Miller, Coatesville, and Edgar Jackson, Ligonier, would like to know how to puff wheat, rice, corn, and other grains for making cereal. Esther writes that when she visited Europe, the Austrians especially served puffed cereals and one of her favorites was puffed peas served with soup.

QUESTION — Patricia Varchol, Reinholds, writes that she started plants from seed for her large garden. She used a commercial planting mix for starting the seed, grew the plants under lights for 15 hours a day, watered from the bottom and watered only enough to keep them from drying out. She had a great germination rate, but since then has lost almost all the seedlings to damping off. Every time she has tried to start seeds, the seedlings met the same fate.

She knows it's too late this season, but are there tips or tricks to try next year to keep this from happening?

QUESTION — Kay McGrath, 68 Hunter St., Tamaqua, Pa., writes that she found an antique in the attic of a deceased relative. She believes it is a spinning wheel loom. She has a picture of it if someone collects such objects.

QUESTION — Paul Early, R.R. 1, Box 632A, Annville, Pa. 17008 has a hopper to a wheelbarrow grass seeder that was made in the 1920s. He would like to hear from someone who has the wheelbarrow part or he would be willing to sell the hopper.

QUESTION — A Lebanon reader would like to know where to purchase a Kistka, an instrument that resembles an old-time fountain pen that is used to apply the wax for egg decoration.

QUESTION — Ruth Dundore would like the book with the following poems: Brier Rose, The Old Man Goes To School, The Station Agent's Store, and The Last Hymn. It was published about 1900.

QUESTION — Mrs. S. Carol, P.O. Box 344, Shiloh, N.J. 08353, would like some Amish penpals.

QUESTION — Maxine Tutton, Fort Royal, Va., would like the address for a mail order company that sells patterns for clothing that fits cement lawn geese that are so popular now.

QUESTION — Julia Rissler, Mohnton, would like Sue Barton books by Helen D. Boylston, especially Sue Barton, Superintendent of Nurses. Call (717) 484-0515, or write to Julia at 448 Orchard Rd., Mohnton, PA 19540.

QUESTION — Florence Fisher, Etters, would like to know what to do to keep pigeons off a tin roof.

QUESTION — George Rousis, Bally, hopes to move to the Midwest or Montana in a few years. He'd like to know how to find out weather temperature highs and lows, rainfall, and snowfall for the individual states during the past 10 years.

QUESTION — Jenny Palovitch of Lancaster County would like to purchase a wrought iron bench that wraps around a tree. It may be new or used.

QUESTION — Several years ago, Harold R. Stoudt of Hamburg purchased aluminum-clad electric fence wire by direct shipment from South Star Industries in Tenn. The dealer discontinued his business. Does anyone know of the company or one that sells similar high quality aluminum clad maleable steel wire? It did not recoil when unspooled and could be hand spliced.

QUESTION — A Lehighon reader would like to know the market price for goose and duck eggs.
