If livestock is your business, Eby Gooseneck Trailers include these features to protect the livestock you transport:

- Durable all-aluminum construction with less weight for more payload
- Axles, wheels, tires and brakes that are designed to carry the weight the trailer will hold
- Gates and doors designed for easy loading/unloading
- Proven post and slat design to control airflow and easily close up for winter conditions
- Aerodynamic design to improve fuel economy

Eby Gooseneck Trailers are available in lengths from 12 to 32 feet with a choice of widths and inside heights. We offer every custom option, including stainless steel front end for great looks.

Whatever kind of livestock you transport, you can rely on EBY products to do the job right.
