**HAYBINE MOWER-CONDITIONERS**

**QUALITY HAY**

Stop in and take a look at the industry standard for making quality hay—New Holland Haybine® mower-conditioners. They're reliable, easy to adjust and provide plug-free cutting and conditioning—cutting after cutting.

**THE ORIGINAL**

**ROLABAR® RAKES  
WITHSTAND THE  
TEST OF TIME**

Don't settle for second best when it comes to rakes. Choose the original—a dependable New Holland Rolabar® rake. The rake more farmers buy over all other brands combined. Why? Because its rugged construction makes it one hard-working, hay-grabbing machine. See the original Rolabar rake today.

**12-FT CUT**

**CAPACITY AND  
CONVENIENCE**

The Model 499 Haybine® mower-conditioner gives you 12-foot capacity with pivot-tongue convenience, plus:

- Patented Rolareel header—no auger needed.
- Fast, clean cutting from dual sickles.
- Thorough, plug-free conditioning from chevron-design rolls.

**QUALITY HAY**

**FLUFFED UP NOT  
ROUGHED UP**

If a storm hits while you're making hay, you'll need the New Holland Model 166 windrow inverter. It helps to dry hay fast, so you can bale or chop sooner. The "166" gently lifts, fluffs and turns windrows without roughing up the hay. So, you move your windrows onto dry ground for faster drying and retain valuable leaves.

For hay that's fluffed up not roughed up, check out the "166" today.
