## **Tioga County Fair**

Agriculture is still the number one industry in Tioga County, and there's no better place to see it all than at the 1995 Tioga County Fair, being held at the fairgrounds in Whitneyville from Monday, August 7 through Saturday,

ables, hay and grain, and floral exhibits. All of these things should be brought to the fairgrounds on Monday between the hours of 10 a.m. and 8 p.m. in order to be considered for competition. Absolutely no items will be accepted after 8 p.m.

Because of the volume of

watch the animals being readied for show. Don't forget to view the antique tractor and machinery display or check out what is "new" in the Farming and Mining Museum. But you definitely won't want to leave the fairgrounds without attending the Baked Goods Auction! The Tioga County Fair has one of the largest baked goods displays around and this is the only place where you can purchase first prize baked goods.

Wednesday is the first of many days throughout the week with a dairy or livestock show. The 4-H and Vocational Dairy Show will start at 9 a.m. Family Day, being sponsored by Grecos Super Duper, will continue as the kids try their hands (feet?) in the Pedal Tractor pull or participate in the games and contests. Take time to watch one of the racing and diving pigs shows and the Poco clowns. If you attend the fair on Wednesday, you will be in for some real "treats." You will have the opportunity to sample some of the finest products grown and made in this county - all under one roof!! Make sure you come to the fair on Ag Promotion Day. The fun continues Wednesday night with a new kind of entertainment. Because of all the interest in last year's rodeo, this year's fair board is pleased to announce the appearance of The Crown H All Bull Riding Show at 8 p.m. You won't want to miss any of the excitement as you watch the high

jumping, hard hitting, fast spinning power of the rodeo bulls and the guts and determination of the bull rider as he tries to make that 8-second ride!

On Thursday, there is an early morning showing of the county's best beef animals. It's a lot of fun to watch these kids do their best to lead these huge animals around the ring.

Lots of fun can be had in the afternoon if you stay around to watch the sheep blocking contest. These lambs are brought straight from the field to be made showready in an hour. In the Youth Center Building, there will be an allday sheep and wool show. Demonstrations will include sheep shearing, spinning, and felting.

The shorn wool will be spun and woven into a shawl which will be auctioned off later in the week during the Jr. Livestock Sale and Milk Auction.

Friday brings us close to the end of fair week, but each day is just as exciting as the last, as we have more animal judging. The swine show starts at 9 a.m. and if you have never watched swine judging, you will want to see this! The Open Colored Breed Dairy Show begins at 11 a.m. with some of the finest cattle in the state being shown.

The Draft Horse Show will be held on Friday at 10 a.m. This is a unique show all its own. Seeing some of these huge horses put

August 12.

The official opening of the fair is Monday at 5 p.m. and there will be the usual hubub and excitement as the exhibitors bring in their exhibits.

Monday night offers great things! Besides seeing all the exhibits as they come in, you will get a chance to relax as you watch some hometown talent perform on the midway stage in the carnival area. During the intermission, the 1995 Tioga County Fair Queen will be crowned by reigning queen, Laurie Wildman. The evening will be rounded out by the Horse Pull on the track at 7 p.m.

Tuesday gets started early, with the judging of all the baked and canned goods as well as vegetentries, all needlecrafts, handcrafts and photographs are to be entered on Saturday, August 5 between 10 a.m. and 4 p.m. Judging of these departments will be held Sunday, August 6.

A special judging event is planned for Tuesday. The Hershey's Greatest Cocoa contests and the Blue Ribbon Apple Pie contest will be held at 5 p.m. with celebrity judges. The entrants and the public are encouraged to gather in the center of the fairgrounds to watch as the judges "eat their way through a mountain of baked goods." Make sure you encourage all the exceptional bakers you know to enter these contests!

There will be lots to do as you

## Limousin Show

ENGLEWOOD Colo.—Entries are in and the 1995 National Junior Limousin Show and Congress in Wichita, Kansas, July 9-16 has all the makings to become one of the largest Limousin junior gatherings ever held in the United States.

All told, show entries have been recorded for 349 females, 64 steers, and 17 bulls. Those numbers could make the show the second largest National Junior Show ever held, surpassed only by the 1992 National Junior Show.

"With the current challenges in the cattle market, it is exciting to

see this many young people showing enthusiasm for Limousin and the cattle industry," said George Hubbard, North American Limousin Foundation (NALF) director of marketing, shows and junior activities.

The 234 exhibitors will bring together 29 states for competition in shows and satellite events, including public speaking, extemporaneous speaking, sales talk and judging contests. States will also compete in the Limousin Beef Cook-Off and herdsmanship and booth contests.

For more information, contact NALF at (303) 220-1693.
