The Company

The World's Choice

SILOFLEX

Leading Silage Bag Technology
Since 1980

Silage Bags

The **SILOFLEX** team has built its foundation on a strong commitment to quality. The strong commitment to manufacturing excellence of feed storage plastic has been demonstrated since 1980, having produced two other major brands of silage bags.

This team has combined the expertise of the leading thermal physics formulation technologist, the state-of-the-art polyethylene manufacturers and the leading edge automated **SOFTOUCH** folding technology and packaging system with a solid, well established agriculture plastics marketing and distribution system.

For the first time, this team effort brings together the resources of the leading experts in the areas of production, product field performance, marketing communications and distribution into one, providing you and your valued customers the best feed storage plastic available.
