Don't Miss This New Case IH Oil Bath Drive 9' Model 8340 Mower Conditioner FULL-FEATURED PERFORMER

The Case International 8340 mower conditioner offers you features in a 9 foot plus cutting width that you'd only expect to find as options, or on a larger more expensive machine.

Features like a heavy box-beam frame and tongue that you hydraulically position from the tractor. Quickly steer around field obstacles or switch between field and transport positions. Low maintenance describes the 1700-stroke per minute sickle. Sickle sections bolt-on for quick and convenient replacement.

A five-bat reel feeds the crop uniformly into the conditioning rolls. Rolls automatically separate to reduce the chance of plugging.

More Features For Better Mowing - Trade Up Today!
