

Not All Fields Are Perfectly Flat

That's why the Bush Hog® model 2615 15-foot cutter's wings are designed to float along contours as severe as 90 degrees up or 22 degrees down while shredding stalks, clipping pastures or cutting along rights-of-ways, drainage ditches, terraces and fence rows. As it does so, an automatic height adjustment keeps the wings cutting at the same height as the center section. A framing system featuring closed box members allows us to make the 2615 pounds lighter without sacrificing any of the strength you've come to expect from a Bush Hog. And, less weight not only means less wear and tear on your tractor but it has also allowed us to cut the price.

Why pay more to get less - make a Bush Hog's success your success.

BUSH HOG®

2345 Qt Series Front End Loaders

Rugged Front End Loaders That Attach To a Wide Range of Tractor Models - Rated For 25-45 PTO Horsepower

- Designed for 2 and 4 wheel drive tractors.
- Choice of attaching buckets from 48" to 80" wide.
- Rugged construction and durability.
- Low profile provides excellent visibility for operator.
- The 2345 QT is available for a limited tractor hp range.

This assures a well matched loader/tractor combination.

- No tools are required to removed the loader from tractor.

BUSH HOG®

Why Bush Hog Squealers Mow Down The Competition

There are two basic reasons and quality is the first. Each Squealer model is equipped with Bush Hog's tough gearbox that carries a 2-year warranty. All models, except the 42-inch wide cutter feature oval blade pans, and the 60 and 72-inch wide models have an "in-line" shear bolt with ball bearing protection that can be replaced in a snap. An optional slip clutch is available.

The second reason for the Squealers popularity is price. Select any of 5 models, 42 to 84-inches wide, and compare prices with the competition. With a true price/quality comparison, it's easy to see why Squealers mow down the competition.

BUSH HOG®

AFFORDABLE

The Bush Hog Razorback gives you plenty of performance - plus features for fast and better rotary cutting. Like a full 5-foot cutting width and a cutting capacity up to 1 - inch diameter. Like the protection of a shear pin and oval blade pan as standard equipment. Like 11-ga. steel construction and a tapered rear deck for faster discharge. The Razorback is ideal for use with 18-30 HP tractors... and it's ideal for your pocketbook - because it's plenty affordable.

BUSH HOG®

For Pastures, For Roadsides, For Stalks...Here's The Rotary Cutter You Need

Bush Hog's medium duty 270 Series Rotary Cutters are excellent tools for the widest variety of land maintenance chores. And they're built tough, built to withstand rugged cutting in material up to 2-inches thick. Decks are 10 gauge steel, continuous welded and braced at all stress points. Select from three models, in cutting widths of 5, 6 or 7-feet. A three-point hitch is standard, and for the 7-foot model an economical semi-mount hitch is available. Round bladeholders and laminated wheels are also standard on all models.

Come in today and learn more about Bush Hog's 270 Series Rotary Cutters.

BUSH HOG®

These Lawn Care Mowers Make Grass Cutting a Pleasure.

With Bush Hog's ATH Air Tunnel Finishing Mowers cutting large lawns is fast and easy. Adjustments are minimal and simple to perform, and these mowers give you all the features you'll need to tackle heavy grass and uneven terrain. Heavy, 7-gauge steel deck-plate, floating top linkage and lower link allow uniform cutting. High blade tip speeds and 1 1/2 inch blade overlap assure clean cutting. The high volume discharge chute flexes to allow mowing in heavier or damper conditions. You can select a five or six-foot cutting width to match your tractor or cutting needs. Come in today and learn more about how Bush Hog's ATH Mowers can take the chore out of cutting big lawns.

BUSH HOG®

CHIPPER/SHREDDERS

CS-100P

The CS-100P Chipper/Shredder is a handy PTO model that mounts easily to any 3-point tractor with a minimum of 18 hp.

CS-130T

The CS-130T Chipper/Shredder has a 13 hp Honda engine. This self-powered model has the power necessary to handle big jobs. Standard equipment includes electronic ignition, oil alert and a two-wheel trailer that is highway towable to the work site.

CS-180T

Built to handle the toughest jobs, the CS-180T Chipper/Shredder features an 18 hp Honda engine, 1500 pound torsion axle, a 3-gallon detachable gas tank for convenient refueling plus all the features of the CS-130T.

WITH BUSH HOG® POST HOLE DIGGERS YOU GET A CHOICE.

Whether you have trees to plant, post holes to dig or large construction chores, there's a Bush Hog Post Hole Digger that will do the job.

Choose the utility model 2101 and you can select 6 or 9-inch auger diameters. And with 9-inch augers double flighting is available. Choose the agricultural model 2102 and you have a choice of auger diameters from 6 to 24-inches. Or, with the rugged industrial model 2103 you not only have a selection of 6 to 24-inch augers, but also an optional down pressure cylinder that delivers 500 lbs. of extra digging force.
