SLIT-TILLER TO BE SOLD

The District is selling its 5 shank slit-tiller which has been in use since 1986. The shanks have 2" straight chisel teeth and are spaced at 30". It was built by the District for heavy duty use and can be transported on the road. It can be used to break a plow pan, increase a soil's ability to absorb water and provide for greater infiltration. Prospective bidders can see the slit-tiller at 1150 Village Road by calling 717-687-6377. Sealed bids will be accepted until the public bid opening in the Conference Room of the Farm & Home Center at the next District board meeting, 7:30 P.M. on September 6, 1995. Place bid in a separate envelope marked, "Slit-tiller bid, To be opened September 6, 7:30 P.M." Bids can be brought to the board meeting or sent to the attention of Gerald Whiteside.
