

Cultmulcher In Stock For Fall Seeding and For Clod Busting Action See Binkley & Hurst Bros. Now For A New 13'10" Cultmulcher In Stock! With Quality Features! We Are Ready To Deliver!

Weight Transfer is needed on some fields for best mulching results. Unique Farmhand system allows weight to be distributed between the front and rear rollers and the draw bar as needed.

Bearings on torsion-mounted hangers and roller tool bars combine with split roller axles to isolate shock loads. Up to 12 triple-lip sealed, self-aligning ball bearings are used on the main frame of each machine.

Early Bird tire Chain Specials In Effect Now Through Sept. 14, 1995

JUMBO BALES

A Case International 8580 large rectangular baler makes JUMBO bales - up to 2,000 pounds. It compresses hay equivalent to about 40 conventional bales into a single high-density package. The high-end capacity and performance of the

8580 means you can push these big bales through the machine all day - every day. That's a lot of hay! And it's quality hay, too. The center-line design handles the crop gently to preserve nutritious leaves. The bales are uniformly shaped for efficient handling and shipping.

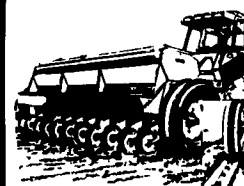

The 8580 also has a full list of standard features. Low-profile pickup, pre-packed chamber, massive gearbox, heavy-duty components throughout, electronic monitoring, double-tie knotters and low maintenance. And it's simple to operate. The Case International 8580 is a JUMBO value, too.

For Compact - Quality - Economy Balers See Binkley & Hurst Bros. Today! Model 8420 Round Baler

39x52 Inch Bale Size For Easier Handling Bale-Full Alert, Aggressive Starter Roll For Fast Starts
