For A Magnum Tractor See Binkley & Hurst Bros. Inc. Your Dealer With Service To Back Every Sale!

BEFORE YOU BUY YOUR NEXT NEW TRACTOR, ASK AN OWNER.

There are more than 50,000 Case IH MAGNUM™ tractors working fields and farms around the world. And with over 65 million hours of rugged fieldwork behind them, they've proven what a difference durability, reliability and performance can make.

You'll feel that difference in the 7200 Series MAGNUM tractors, ranging from 130 to 215 PTO hp. At the heart of every MAGNUM is its 8.3 L

diesel engine — the definition of pure agricultural power. Not to mention the standard 18-speed full-powershift transmission that gives you complete control of 18 forward and four reverse speeds, as well as an optional creeper transmission that adds six forward and two reverse speeds.

Yet with all that performance, there is no shortage of comfort. The MAGNUM tractor cab means highly efficient

luxury. From the ergonomically designed seat to the smart layout of the controls, you're surrounded with features that make it easy to put in a full day's work.

If you're looking for a proven tractor with all the assets you need to maximize productivity, be sure to test drive a MAGNUM tractor. But don't just take our word for it.

ASK AN OWNER.

A Special Feature For All Case IH Grain Drills

Fluted Roll Feed Cup Assemblies Save Seed and Save Time

Flutes roll is precision-molded and won't freeze up during the idle periods.

Shut-off block is molded of steel and delivers consistent cup to cup seeding accuracy.

Exclusive tapered metered edge at the bottom of the feed cup provides unexcelled seeding accuracy, even seed flow, and more uniform spacing.

Large throat clearance allows the handling of big seeds and prevents seed damage.
