Frozen silage? No problem!

For frozen silage and hard-packed haylage, the Patz cutter-and-claw gathering chain outperforms augers. This time-proven chain with its chain-saw cutting action cuts out frozen silage aggressively. Shouldn't your next unloader have a gathering chain?

Consider these Model RD-820 Unloader features:

RING-DRIVE: With the roller-chain ring drive, only one motor powers the machine.

AUTOMATIC LOWERING OPTION: A winch lowers the RD-820 automatically after each complete revolution.

POWER CUTTER: Spring tension keeps high-speed, self-sharpening blades tight to the silo wall to shave it clean.

TORQUE LIMITER: Ratchet-pin design protects the ring and drive system while working through conditions.

Affordable financing directly from Patz.

WARNING ALL SILO OWNERS

It's important that you know your silo needs maintenance. Your silo will not fall when it's empty. Please check your silo for damage or check your insurance policy. **Shotcrete is your best, with fiber and retarder for interior work on silo walls - troweled smooth (walls cleaned before coating)**

THIS IS THE BEST HAYLAGE SILO UNLOADER

Multi-lot Belt Feeder

Feeds up to 6 lots of cattle different rations efficiently.

End loading can minimize conveyor investment. You can even convey and feed with one machine to save time and money

Choice of 12-inch or 16-inch belt Concave trough carries more feed

Patz belt Feeders mount easily on either side of your feed bunk or in the middle. Or mount from the ceiling inside the barn

Ask us about belt Feeders.
