NATIONAL FARM SAFETY AND HEALTH WEEK  
SEPTEMBER 17-23, 1995

**You Can  
Make Every Week  
Farm Safety  
And  
Health Week**

We want you to work safely around your farm every week. Start by avoiding unnecessary risks when operating the PTO and when transporting equipment. Plus, be sure your tractor is geared for safety, by getting it equipped with a free kit to help prevent bypass starting. And install a Rollover Protective Structure (ROPS) on your tractor to help reduce the risk of injury or death due to tractor overturns. We have ROPS for most John Deere tractors built since 1960. Rigid ROPS starting at \$250; foldable from \$395. Make safety your top priority during National Farm Safety and Health Week, and every week.
