**CHORE-TIME** **Layer Cages**

You get more room in our top cage for extra birds.

Note the extra wire in partitions backs and tops for added strength.

ULTRAFLO® goes 60 feet per minute and has a 5 year warranty.

Special wire on cage floors is unrolled before being galvanized. This gives stronger welds and better coating and there's reason why Chore-Time outlasts other systems.

Ten year warranty on cages. Call or send for a copy.

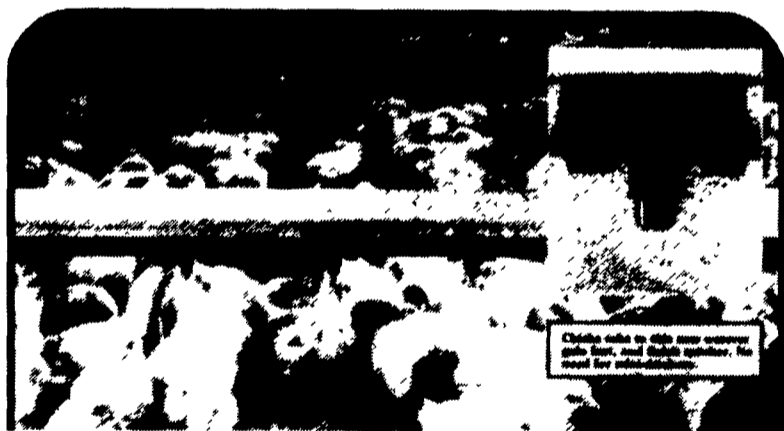

Egg tray is out further to prevent egg jam-ups.

This extra high lip on the egg tray saves eggs.

Available with 24 x 20 cages or 18 x 20 cages.

Get 35% more birds because it is only 73" wide.
