**Consider a REAL Open-Top Mixer**  
 REAL mixing with four large counter-rotating augers for fast, thorough blending of feeds. The large, flanged augers are designed specifically to evenly mix all ingredients. The mix is the same at the beginning, middle and end of feeding each batch.

REAL mixing-capacity numbers; You can use more of the Patz Mixer's struck-level capacity for mixing than with a reel-type mixer.

REAL strength with heavy-gauge steel sides and 3/8-inch-thick bottoms for long service life.

REAL primary drive reduction with a planetary gearbox.

REAL hay shelf and notched augers as standard equipment.

REAL Patz financing at affordable rates.

Ask to see the video of the REAL Patz Mixer. Also, we will be glad to do an on-farm demonstration.

**Patz** **0% FINANCING** with 25% Down for 18 months on mixer purchases "Limited Time Offer"
