

Dairy Goat Roundup A Quality Show

4-H dairy goats fitting/showing, from left, 1st showing, Jessica Bohmier and 1st fitting, Veronica Bates.

KIMBERTON (Chester Co.) — The Chester County 4-H Dairy Goat Roundup was held at the Kimberton Fairgrounds recently. A total of 14 project goats were shown and six 4-H youth participated.

This year, the show was divided into two breed classes, Alpines and other breeds combined.

Dan Torrison, Quakertown, a Nubian and LaMancha breeder and 4-H leader in Bucks County, did a fine job not only in placing the animals, but also instructing the 4-H'ers in how to improve their showing and fitting techniques.

In the Alpine Class, Jessica Bohmier, New London, captured senior and grand champion with her beautiful 3- to 5-year-old doe, Honey Nut. She also received the reserve senior and reserve grand title with a yearling doe in milk, Fern.

Caramel, a 4- to 12-month-old kid, was the junior champion for Zachary DuVall, Lincoln Univer-

sity. Jessica Bohmier won the reserve junior ribbon with her 4- to 12-month-old kid, Candy.

Veronica Bates, Gradyville, won top honors in the other breeds

combined class when her 2-year-old Nubian doe, Buttercup, was named senior and grand champion. Melissa Wertz, Phoenix-

Alpines, left to right, junior champion, Zachary DuVall, and reserve junior champion, Jessica Bohmier.

The Chain Saws For People Who Want To Act Like Lumberjacks, Not Work Like Them.

If you know a little about the timber business, you know that Stihl chain saws have been used by professional woodcutters for over sixty years.

So maybe you think Stihl equipment is "too good" for a suburbanite or farmer or anyone else who needs to cut wood on an occasional basis.

Well, we're happy to tell you that Stihl makes a whole series of chain saws with your needs in mind.

But don't confuse

The Stihl 021 Superb power-to-weight ratio, isolated carburetor, electronic ignition.

The Stihl 023 All the features of the 021, plus 30% more power

The Stihl 025 More powerful than the 023, plus convenient side chain tensioner

The Stihl 026. Designed for professional use, or the demanding weekend-woodcutter.

them with discount-store chain saws.

All Stihl saws are designed for performance, ease of handling and starting, and durability.

Now, about the 026 shown at the bottom: we'll admit we sell this saw to professional woodcutters. But it's also bought by people who simply put a lot of hours on a saw every year.

And by the way, when were you ever unhappy because you bought a product that was too good?

For The Part Of You That Promised You'd Never Compromise.
