**Purchase Quality Rhino Machinery
From Binkley & Hurst Bros.**

If It's Snow Removal Or Heavy
Duty Excavating, You Need A
Rhino Blade From Binkley &
Hurst Bros. Now!

The LR Blade has been setting the standard in
medium-duty blades for over 20 years. The LR is
ideal for road maintenance, soil leveling, ditching
and terracing work, or foediot cleanup on tractors.
Durability and ruggedness are built into every LR with
features including a 2" solid steel kingpin and a 5/16"
thick moldboard. Versatility is provided by the LR's
three basic mechanical adjustments: moldboard tilt,
pivot, and mainframe swing which add up to a total of
22 non-wrench adjustments.
