JUMBO BALES

A Case International 8580 large rectangular baler makes JUMBO bales - up to 2,000 pounds.

**Buy at
Old Price
Savings**

It compresses hay equivalent to about 40 conventional bales into a single high-density package. The high-end capacity and performance of the 8580 means you can push these big bales through the machine all day - every day. That's a lot of hay!

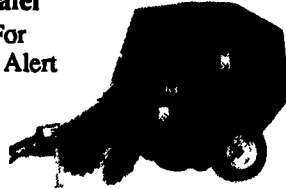

And it's quality hay, too. The center-line design handles the crop gently to preserve nutritious leaves. The bales are uniformly shaped for efficient handling and shipping.

The 8580 also has a full list of standard features. Low-profile pickup, pre-packed chamber, massive gearbox, heavy-duty components throughout, electronic monitoring, double-tie knotters and low maintenance. And it's simple to operate. The Case International 8590 is a JUMBO value, too.

"Binkley & Hurst Bros." The Home Of Quality Skid Loader Sales & Service! Call Us For All Your Needs YOU'LL LIKE HOW IT TURNS. AS WELL AS WHAT IT TURNS INTO.

One thing you'll appreciate about Case skid steers is how well they maneuver. Thanks to their responsive steering and

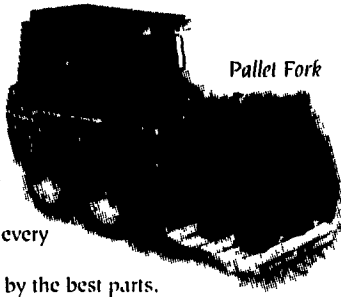

Bale Spike

let you switch attachments fast. Plus, all Case skid steers, from our rugged 18 horsepower gas model to our 56 horsepower diesel, provide the ultimate in power, durability and reliability. In fact

overall compact size, they have the agility and the power to get the job done. Especially in limited space. Even more impressive is how many jobs they can master. Every Case skid steer is designed to power a long list of profit-producing attachments. So whether the task involves lifting,

we offer more horsepower than the competition in almost every class. And every model is backed by the best parts, service and financing in the industry. Because our feeling is that dealer support should be every bit as strong and versatile as the machines themselves. So visit your Case dealer and find out more about our

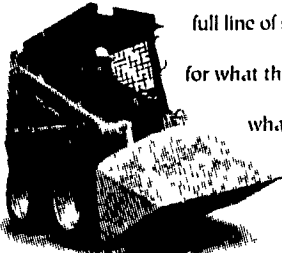

Pallet Fork

full line of skid steers. You'll like them for what they are. And especially for what they become.

digging, spreading or cutting,

Case machines get it done. And our quick-change coupling systems
