

IF YOU FINANCE THIS WITH A TRUCK LOAN, YOU COULD BE TAKEN FOR A RIDE.

With a standard truck loan you may not be getting the best deal. And you're missing out on a wealth of credit services specially designed for people who earn part of their income from farming and ranching.

As a part-time farmer or rancher, you may qualify for a full package

of Farm Credit loans. Like an equipment loan for that pickup or tractor. Like long-term loans for land, homes and other buildings. And short-term financing to cover operating needs.

Before you make a deal, talk to Farm Credit. You'll find an expert who can honestly help determine

what the best deal really is. Someone who understands part-time farm operations. Someone who can help consolidate and simplify your credit services.
