# Patz

15 YEAR WARRANTY

Manufactured in Pound, Wisconsin

### Here is something often overlooked...

Only Patz gives you 47 years of experience with hook-and-eye chain, resulting in a chain so good that others are attempting to copy it.

Many Patz Gutter Cleaner chains still working well after more than 30 years of use.

After the Patz patent on hook-and-eye chain expired, some other companies have attempted to copy the Patz chain. Some promote 10- and 12-year warranties on chain—but they have not yet had 10 or 12 years of experience with hook-and-eye chain.

Patz has continued to improve its chain for 47 years with special-formula steel, special forging techniques and special steel hardening processes.

Rely on the proven, long-life chain. Patz provides a written 15-year chain warranty because so many chains are working well long after 15 years of use.

Better yet, your chain warranty is backed up by a solid, reliable company that has been serving farmers for 47 years with the same family ownership.

Insist on Patz chain!
