New Construction

The WOOD MASTER
Hot Water Outdoor Wood Furnace

- Safety**
 - Located outside eliminates wood mess and danger of fire in your home
- Quality**
 - Total in house manufacturing by professionals who take pride and care in their craftsmanship and it shows
- Round Design**
 - More even heat transfer
 - Approximately 40% less welds than square, easy cleaning no hard to reach corners
- Versatility**
 - Makes it compatible to existing systems (forced air floor heat, baseboard existing boilers)
- Efficiency**
 - The smart heat battle with the right location also makes the fire drum even more spacious and performance others only wish they had
- Fuel Door**
 - Spacious air cooled located at a comfortable filling height
- Compare**
 - Workmanship Round Design Efficiency Standard Options overall performance and appearance and on top of all that competitive price to make the WoodMaster the most affordable outdoor furnace on the market

Interested in burning your waste and making heat. Here's a different heating system. Burn your scrap wood, sawdust and papers. Heat your shop as well as your home.

Available with the Hoover Air Pump.
