

Housing Expo Schedule

(Continued from Page A1)

attended last year's event at the fairgrounds to learn more about animal comfort and handling, in addition to building and remodeling animal housing facilities. Also covered were stall design and maintenance, ventilation, fly con-

trol, financing, milking systems, and more.

Hours of the expo are from 9 a.m. to 3 p.m. on Wednesday and Thursday.

The speaking program for Wednesday, Nov. 8 is:

• 9:30 a.m. — "Avoiding Building Failures" by Tim Royer of Timber Tech Engineering.

• 10:15 a.m. — "A Vet's Commonsense Perspective of Cow Comfort, With A Focus On The Stall Barns" by Gordon Jones, veterinarian, Wisconsin.

veterinarian, Wisconsin.

• 1:30 p.m. — "Your Business — Will It Continue On Into the Future?" by Gary Heim, attorney, Mette, Evens, and Woodside, with Liz Brown, tax consultant and preparer.

The speaking program for Thursday, Nov. 9 is:

• 9:30 a.m. — "Do You Have Sufficient Coverage?" by Doug Wallick, Agway Insurance.

• 10:15 a.m. — "Paying Attention To Swine Production Details" by a veterinarian-producer panel. The panel is chaired by Dr. Tim Trayer, Agricultural Veterinary Associates, and Dan McFarland, York County extension. Featured

1995 ANIMAL HOUSING EXPO

The design and construction of animal housing facilities has a long-term impact on the health and productivity of farmers' flocks and herds, and on the long-term profitability of their farm businesses

The Animal Housing Expo affords livestock, dairy and poultry producers an opportunity to get ideas and assistance in the design and construction of animal housing and handling facilities. They can visit with commercial exhibitors, talk to other producers, observe a variety of displays and demonstrations, and hear what local and national experts have to say on numerous topics of interest

COMMERCIAL EXHIBITS, DISPLAYS AND DEMONSTRATIONS

This publication is available in alternative media on request.

Penn State is an affirmative action equal opportunity university.

The Building you want. The Lease you need.

Whether your new farm or commercial building is of pole, timber column, stud, steel or block construction; choose Telmark lease financing.

Telmark has been leasing equipment for over 30 years. Did you know that we've been leasing new buildings for that long too? Consider the features:

- **Tax deductibility and accelerated write-offs:** Lease payments are income tax deductible over the term of the lease compared to 20-year depreciation of farm buildings and 39-year depreciation of commercial buildings. **Could reduce tax liability this year.**
- **Low upfront costs:** Beginning costs may be as little as one monthly lease payment.
- **Flexible lease term:** Building lease terms start aggressively at five years but may be as long as ten, twelve, or fifteen years.
- **Customized payment schedules:** Lease payment schedules match your cash flow. Payment options include monthly, quarterly, annually, as well as, skip or specially designed seasonal payments.

How do you start leasing a building from Telmark? Talk with a qualified builder to determine your needs and building cost. And call your Telmark representative:
