

You ask We answer

This column is for readers who have questions but don't know whom to ask for answers.

"You Ask—You Answer" is for non-cooking questions. When a reader sends in a question, it will be printed in the paper. Readers who know the answer are asked to respond by mailing the answer, which will then be printed in the paper.

Questions and Answers to this column should be addressed to You Ask—You Answer, Lancaster Farming, P.O. Box 609, Ephrata, PA 17522. Attention: Lou Ann Good.

There's no need to send a SASE. If we receive an answer to your question, we will publish it as soon as possible.

John Deere sets new records in Nebraska Tests

8000 Series Tractors raise benchmarks in power, efficiency

OECD test results for John Deere 8000 Series Tractors confirm what owners have been saying all along: These are the most productive tractors you can buy.

Record-setting power. The 225-hp 8400 Tractor set new standards with several new records: Highest

PTO power at rated speed; highest maximum PTO power at 2,000 rpm; highest drawbar power at rated speed; highest maximum drawbar power at 2,000 rpm; and highest maximum drawbar pull for an unballasted tractor on singles (the 200-hp 8300 came in second to the 8400). Plus, all 8000 Series

PROTECT THE PERFORMANCE YOU'VE COME TO EXPECT

Guard your engine from wear with the oil that exceeds industry standards — Plus-50® Engine Oil. Tests prove it reduces engine wear 32 percent and extends oil change intervals 50 hours when used in a John Deere engine with a John Deere filter. And it's a great oil for other brands of engines, too. See your dealer for this top-of-the-line oil at a competitive price.

Keep contaminants and dirt out of your engine with the high performance of John Deere fuel filters. Put them into your John Deere tractors, windrowers, combines, and forage harvesters.
