RECEIVING DATES: 11/30 & 12/1: 8-3; 12/2: 8-12

Buyers would like to see tobacco on the receiving dates. Get your tobacco in if at all possible.

These buyers will get a percentage of the tobacco according to the amount they bought over 3-5 year average at auction. Tobacco will be divided out as such.

Remember, there is only 100% of the tobacco offered. What will the buyer do to get more tobacco?

- 1 - raise the price at auction, or
- 2 - buy on the farm

If the buyer buys on the farm he will tell the farmer that there's no commission to warehouse and that his price will be the same as at the auction. But, what will the on-farm buyer pay for low grade? If the buyer docks you on a 800 lb skid - it could pay the commission for your whole crop selling at auction.

We like all buyers to buy at auction - we need your tobacco. We need a full warehouse first sale.

- Please color grade
- Put bright tobacco in one grade
- Put tips in one grade
- Put ground leaves in one grade

Watch your moisture-strip dry and keep green out!
