

# YOU'LL LIKE HOW IT TURNS. AS WELL AS WHAT IT TURNS INTO.

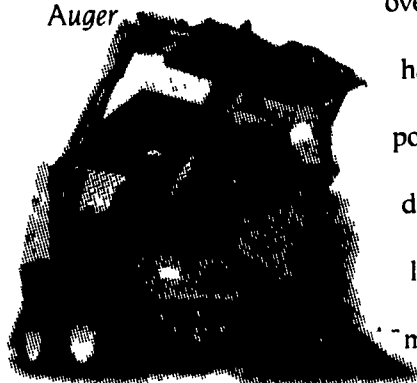

One thing you'll appreciate about Case skid steers is how well they

Bale Spike

maneuver. Thanks to their responsive steering and

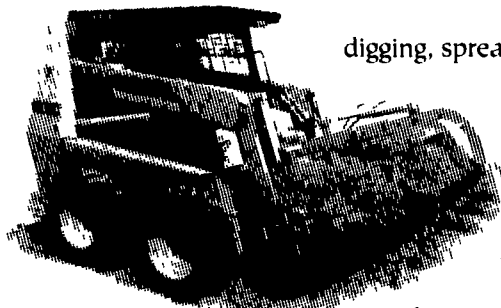

Auger

overall compact size, they have the agility and the power to get the job done. Especially in limited space. Even

more impressive is how many jobs they can master. Every Case skid steer is

designed to power a long list of profit-producing attachments. So whether the task involves lifting,

Grapple

digging, spreading or cutting,

Case machines get it done.

And our quick-

change coupling systems

let you switch attachments fast. Plus, all Case skid steers, from our rugged 18 horsepower gas model to our 56 horsepower diesel, provide the

ultimate in power, durability and reliability. In fact,

we offer more

horsepower

than the com-

petition in almost

every class. And every

model is backed by the best parts,

service and financing in the industry. Because our

feeling is that dealer support should be every bit as

strong and versatile as the machines themselves. So

visit your Case dealer and find out more about our

Standard Bucket

full line of skid steers. You'll like them for what they are. And especially for what they become.
