

Year End Clearance Prices Make Your Deal at Binkley & Hurst Bros. Today & Save Dollars

See Binkley & Hurst Bros. Your Dealer Who Knows Balers! For Big Year End Discount Savings JUMBO BALES

A Case International 8580 large rectangular baler makes JUMBO bales - up to 2,000 pounds. It compresses hay equivalent to about 40 conventional bales into a single high density package. The high-end capacity and performance of the 8580 means you can push these big bales through the machine all day - every day. That's a lot of hay! And it's quality hay too. The center line design handles the crop gently to preserve nutritious leaves. The bales are uniformly shaped for efficient handling and shipping. The 8580 also has a full list of standard features: Low-profile pickup, pre-packer chamber, massive gearbox, heavy duty components throughout, electronic monitoring, double-tie knotters and low maintenance. And it's simple to operate. The Case International 8580 is a JUMBO value too.

Notice! This Baler Is In Stock Purchased Before Price Increase. Purchase Or Take A Tax Deductible Lease With Purchase Option Before Year End For Big \$ Savings. Call and Ask for Landis Today!

Just Arrived For A Super Year End Deal! Look At This, A Swing Frame 12-Foot Disc Mower Conditioner.

CASE IH Proven & Tested To Customer Satisfaction.

The Case International 8312 disc mower conditioner just keeps on cutting - no matter what it encounters. Tangled undergrowth, rodent mounds and hills or heavy hay are no match for the heat-treated high-speed rotary discs at the heart of the 8312.

A center pivot tongue lets you cut a full 12-foot swath in either direction and maneuver around obstacles. Lay down a quick-drying swath or fluffy windrow and, depending on your crop, conditioning rolls can be quickly adjusted for optimum drying. If continuous cutting with a center pivot machine is important to you, stop in and see the Case International 8312.
